

The Fellowship Cup

"Offering a little help along the way"

Our Mission

At The Fellowship Cup, we believe that all people are created in the image of God. The Fellowship Cup is a vital resource for families in our community. We provide food, clothing, and shelter to the under-served of Henry County.

The Problem

We urgently need to replace our old and unreliable truck with a new one.

This truck is **essential for our food bank operations** and enables us to pick up donations for The Quarter Maybe More Store, our thrift store that supports the ministry and operations of The Fellowship Cup. **Over \$300,000** (60%) of our funding comes from proceeds from The Quarter Maybe More Store.

The condition of our current box truck limits our ability to serve our community.

"We would be able to load the truck at night for a morning delivery and be able to keep the load secure and dry. We would also know that the truck would start every morning when we need to use it."
